Sub: Extension of return filling dates for Non Audited cases and Non Business returns.

Sir,

All Gujarat Federation of Tax Consultants is an apex body of Gujarat for Tax Consultants & Chartered Accountants founded in the year 1992 and having it member of 1100 plus.

Your kind Honor is aware about the statutory provision for filling return of income for those assessee who have Salary, Capital Gains, Other Sources as there only source of income and all non auditable business income assessee's latest by 31.07.2014.

This year the form Nos. 3, 4, 5 6 & 7 were notified vide Notification No. 28 dated 30.05.2014 and the updated schema files were available as late as on 03.07.2014. Then came the announcement dated 07.07.2014 for Updating Contacts with limitations of e mail id's and mobile numbers.

Compliance of the announcement and new e filling system took at least 10 days and still as on today tax professionals are not updated completely as for some days tax professionals could find problem in obtaining pin through mobile phone. Moreover, for last few days, downloading Form 26AS from TRACES is also a major issue and it is difficult to get it which is one more reason for delay in filling the returns.

Since the system is new and has issues with tax payers and tax professionals, we pray to your kind honor for granting time for 1 further month and remove the genuine hardship of tax payers.

Extending the time limit would be in general public interest and not a favor to one Individual. This would help the tax payers to comply the intentions of Government.

Your Honor is prayed for granting of one month extension for all categories of tax payers whose return falls due on 31.07.2014 with extended time of 30.08.2014.

If need be, we are prepared to attend personally for presenting this genuine difficulty before your honor.

Federation shall remain obliged for the act of kindness.

Yours faithfully,

(Samir S Jani)
